Notes: Located on the 8,000 acre Loring Commerce Centre (formerly Loring Air Force Base), this former bowling center is being renovated to support back office operations. The facility is within 1,000 feet of a substation. A 69 KV transmission line supplies power to the Centre and numerous distribution voltages are available to support the businesses. The Loring Commerce Centre is home to 20 employers with over 1,600 employees including SITEL Corporation and Altec Services Inc. (Job Corps Data Center). Empowerment Zone, Pine Tree Zone and other incentives are available.
